

It is truly unfair  
and un-American for  
a broadcasting  
company to be  
allowed to use their  
power to force the  
broadcast of  
partisan  
programming,  
especially just  
before an election.

I'm talking about  
the "Stolen Honor"  
program, and  
Sinclair  
Broadcasting.

We depend on the FCC  
to protect us from  
political  
info-mercials  
masquerading as  
objective  
journalism.

Please put a stop to  
this.

Thank you.
